Bell, Emily V., "Policy Subsystem Shocks and Representation in Collaborative Governance."

Bell, Emily V. and Tomás Olivier. "Evolving dynamics of water planning and collaborative outputs over time."

Grants, Fellowships, and Awards

Grants and Fellowships

Co-principal Investigator (with Don Nelson and Sechindra Vallury). National Science Foundation: NSF SRS-RN 2334272, "Collaborative Research and Education Center for Transformative Water Solutions." 2023 ($100,000)

Co-principal Investigator (with Adam Orford and Sechindra Vallury). University of Georgia Office of the Provost E-Mobility Seed Proposal Initiative, 2023 ($56,000)

Principal Investigator (with Justin Conrad). SPIA Research Seed Grant, University of Georgia, 2023 ($6,000)

Principal Investigator (with Don Nelson). University of Georgia Faculty Seed Grants in the Sciences, 2022 ($24,937)

Co-Principal Investigator (with Rhett Jackson, Seth Wenger, J. Marshall Shepherd, and Brian Bledsoe). National Science Foundation: NSF SRS-RN 2115293, "Sustainable and Equitable Urban Stream Corridors: Reimagining urban streams to provide social and ecological benefits to urban, suburban and rural communities," 2021 ($149,989)

Political Networks Conference Travel Fellowship, 2017 and 2019 ($900)

Political Networks Conference Travel Fellowship, 2015 ($700)

UA School of Government and Public Policy Summer Research Fellowship, 2015 ($2,000)

Confluencenter Graduate Fellowship, 2014–2015 ($1,768)

Tinker Field Research Grant, 2014 ($1,515)

Rombach Institute Scholarship, 2012 ($750)

Foreign Language and Area Studies Academic Fellowship, 2011–2012 ($15,000 and tuition)

UA Social and Behavioral Science Graduate Tuition Scholarship, 2010–2011 ($14,962)

UA Graduate College Fellowship, 2011 ($5,000)

Helping Outstanding Pupils Educationally (HOPE) Scholarship, 2003–2006 ($15,000)

Awards and Recognition

UGA Career Center Recognition of Impact on Student Career Development, 2026

MPA Professor of the Year Award, University of Georgia, 2021, 2023, 2025

Editor's Choice Article in *Port City Futures* for October, 2024

Wiley Top Cited Article for 2022-2023 in *Policy Studies Journal*, 2024

UGA Student Career Success Influence Award, 2022

Hargis Award for excellence in technical communication, 2017 ($1,000)

Other Participation

Discussant. "Community-Based Governance," Midwest Political Science Association, Chicago, IL, April 2026.

Discussant and Chair, "Governance and Representation," Western Political Science Association, Seattle, WA, April 2025.

Discussant, "Land Management and Adaptation" and "Environmental Policy, Inequality, and Equity," Midwest Political Science Association, Chicago, IL, April 2025.

Discussant, “Collaborative governance in complex water resources management: Studies from California and the Great Lakes," Midwest Political Science Association, Chicago, IL, April 2022.

Panel chair, “Political Institutions, Responsiveness and Sustainability Impacts," Southern Political Science Association, San Juan, PR, January 2020.

Abstract reviewer, Association for Public Policy Analysis and Management Fall Research Conference, 2019–2020.

Panel chair, “Natural Resource Management in Developing Countries,” Association for Public Policy Analysis and Management Fall Research Conference, Denver, CO, November 2019.

Discussant and panel chair, “Socioenvironmental Disasters, Crises, and Management,” Western Political Science Association Annual Meeting, San Diego, CA, April 2019.

Invited Workshops and Presentations

Bell, Emily V. "Demistificando a colaboração e publicação internacional no campo do planejamento." (Guest Lecture). Universidade do Vale do Paraíba, São José dos Campos, São Paulo, Brazil, August, 2024.

Bell, Emily V. "Water Governance, Fragmentation, and Collaboration." (Guest Lecture). University of Denver Josef Korbel School of International Studies, Denver, CO, June 2023.

Bell, Emily V. "Regional Planning to Advance Water Conservation in the Southeastern United States." (Guest Talk). Auburn University School of Forestry and Wildlife Seminar in Auburn, AL, March 2022.

National Socio-Environmental Synthesis Center (SESYNC) Workshop *S-E Approaches to Watershed Management and Governance*. (Workshop). Annapolis, MD, February 2020.

National Academy of Sciences, Engineering, and Medicine USAID-supported PEER Project *AGUA-ANDES: Ecological Infrastructure strategies for enhancing water sustainability in semi-arid Andes*. (Workshop). Ayacucho, Peru, September 2017.

Bell, Emily. “Water Security in Tucson, Arizona, USA." World Bank 2nd Technical Water Scarce Cities Workshop in Beirut. (Workshop). Beirut, Lebanon, July 2017.

Teaching Experience

Instructor

Policy Process, University of Georgia (undergraduate, in-person), spring 2026

Climate and Environmental Policy, (graduate, in-person format), 2025–2026

Public Administration and Democracy, University of Georgia (graduate, online and in-person formats, respectively), 2021–2026

Policy Process, University of Georgia (graduate, online and in-person formats, respectively), 2020–2026

Public Policy and Administration, University of Arizona (undergraduate – online), summer 2016, winter 2016–2017, summer 2017

Teaching Assistant

Criminal Justice Administration, University of Arizona (undergraduate, in person), 2015–2016

Comparative Politics, University of Arizona (undergraduate, in person), fall 2014

American Politics, University of Arizona (undergraduate, in person), 2013–2014

The American City, University of Arizona (undergraduate, in person), spring 2011

Related Experience

Consultant, US Department of Energy–Savannah River National Laboratory, 2021–2025

Consultant, World Bank–Water Scarce Cities Initiative, 2017

Research Associate, "Coupled Networks in Urbanized Landscapes: Linking Ecosystem Services and Governance for Water Sustainability," PI: Thomas Meixner, University of Arizona, (NSF Award #1518376), 2016–2018

Research Assistant, "Collaborative Research: The U.S. Environmental Risk Policy Network," PI: Adam Henry, University of Arizona, (NSF Award #1124172), summer 2014

Confluencenter Fellow, "Network Impacts on Social Enterprise Programs: Agricultural Production in Brazil's Amazon and Cerrado," Mato Grosso, Brazil, 2014

Other Publications

Bell, Emily V., Donald R. Nelson, Micaela Trimble, Natalia Dias Tadeu, Sandra Aquino, Samiria Maria Oliveira da Silva, Gabriel Cosson, and Michael Saravia. (2025). "Collaborative Regional Water Planning in the US, Brazil, and Uruguay: Insights, Needs, and Steps Forward."

Committee Member

Member, SPIA Scholarship Committee, 2026

Member, SPIA AI Task Force, 2026

Member, Program Review and Assessment Committee, 2026

Co-Chair, Dissertation Committee for LeLyne Leme Nunes Czeczko, 2025–*current*

Member, UGA SPIA Faculty Executive Committee, 2025–*current*

Member, PADP Online Instruction Committee, 2025

Member, University of Georgia Search Committee for SPIA PADP, 2025

Member, UGA Sustainability Certificate Advisory Board, 2024–*current*

Member, Comprehensive Examination Committee for Juan Pablo Araya, 2024

Member, Dissertation Committee for Alejandra Rodas-Gaiter, 2023–2025

Chair, UGA SPIA Faculty Executive Committee, 2023–2024

Member, University of Georgia School of Public and International Affairs Search Committee, 2023

Member, Dissertation Committee for Colt Jensen, 2023

Member, UGA SPIA Curriculum Committee, 2022–*current*

Member, Comprehensive Examination Committee for Alejandra Rodas-Gaiter, 2022–2023

Member, Dissertation Committee for Youkyoung Jeong, 2022

Member, UGA River Basin Center Advisory Board Committee, 2021–*current*

Member, Comprehensive Examination Committee for KT Truszczynski, 2021

External Member, University of Georgia Search Committee for the River Basin Center, 2021

Mentorship

Mentor for Julia Dietz, UGA Public Service Outreach Scholarship Academy, 2026

Speaking

SPIA MPA Recruitment Seminar, 2020, 2025, 2026

SPIA "Doc Talk" Discussant, University of Georgia, 2022, 2023, and 2024, 2026

Pi Sigma Alpha (SPIA Honor Society) Research Series, University of Georgia, 2023

SPIA Graduate Lunch and Professionalization Panel, University of Georgia, 2021

Community Service & Outreach

Volunteer, Chattahoochee Riverkeeper River Cleanup, 2024–2025

Volunteer, Latin American Association Latin Fever Ball (non-profit fundraiser), Atlanta, GA, 2024

Guest Lecturer, Department of Anthropology, University of Georgia, 2024

Guest Speaker, PPEP Tec High School, Tucson, AZ, 2022

Guest Lecturer, Ecology Conservation Seminar Series, Odum School of Ecology, University of Georgia, 2022

Guest Lecturer, ENVIRON 738 US Water Governance, Nicholas School of the Environment, Duke University, 2019

Volunteer, International House English Conversation Club, Duke University, 2019

Guest Lecturer, PLG 501A Planning Theory and Practice, College of Architecture, Planning, and Landscape Architecture, University of Arizona, 2017

Guest Lecturer, CPH 606 Changing Global Health Policy through Cultural Understanding and Epidemiological Analysis, Mel and Enid Zuckerman College of Public Health, University of Arizona, 2017

Workshop facilitator, League of Women Voters of Greater Tucson, “Running and Winning,” 2013

Bell, Emily. “Solar Power in Northern Mexico.” Solar Power 101: Tucson Community Education Series on Solar Energy, May, 2012

Professional Development

University of Georgia Rural Engagement Workshop for Academic Faculty, January–April, 2021

Political Networks Training Workshop, Portland State University, June 2015, Ohio State University, June 2017, Duke University, June, 2019

Institute for Qualitative and Multi-Method Research, Syracuse University, June, 2018
